We’ve built a reputation on job sites around the world by helping hardworking crews get the most from every hour. More ground covered. More equipment hauled. More tasks put to bed. For industries where the jobs never end, we build vehicles that never stop working. Let’s kick excuses to the curb. Let’s work.
BUILT FOR EVERY KIND OF JOB.

The Cushman® work ethic knows no limits. From navigating harsh construction projects to landscaping pristine resorts, our commercial line was built with the powertrains, payloads and features you need to overcome the unique challenges of any job.

HAULER® X
GAIN GROUND WITHOUT COMPROMISE.

The path of least resistance only gets you so far. So we built the Hauler X to take charge when the trails get tough. From deep gravel and thick mud to washed-out trails, this vehicle is built to overcome all obstacles to get the job done.

**HIGHER GROUND CLEARANCE**
Rise above challenging terrain and unexpected obstacles.

**AGGRESSIVE-TREAD TIRES**
Claw through mud, sand and gravel without losing traction.

**FRONT BUMPER & BRUSH GUARD**
Protect your vehicle from unexpected impact.
